STEAM: Mighty Microgreens Wednesday, March 26 3:30-4:30pm

Join us to learn about the nutrition of the tiny, but mighty, microgreens! In this hands-on program presented by Columbia County Master Gardener Volunteers.

Tween Creative Writing Workshop with Local Author Valerie Biel Thursday, March 20 & 27 @ 3:30pm @ Library Annex

Stitching Stars: Crochet Club Wednesday, March 19 @ 3:30

Kids, do you like to crochet? Come join us at the library to work on your projects and start new ones! Beginners are welcome!

The Joy of Seed Tapes Tuesday, March 4 @ 6:00pm

Creating seed tapes is a great winter activity that helps us prepare for the upcoming growing season and allows us to dream a bit about spring! The "joy" part comes later when we can eliminate tedious thinning of tiny seedlings which helps us to save both time and money. In this make and take, participants will make their own seed tapes using common household materials.

Wisconsin Master Gardeners Ardyce Piehl and Kate Rietmann will present this workshop in the lower level of the library. Registration is requested so that our presenters know how much material to bring for participants. There is no charge. All are welcome, but you are asked to arrive early due to limited seating. Register at columbuspubliclibrary.info

Author Talk: Robert Root Thursday, March 20 @ 6:00pm

Author Robert Root has long been immersed in the nonfiction of place. He is the editor of "Landscapes with Figures: The Nonfiction of Place" and the author of twenty books including "Recovering Ruth: A Biographer's Tale," the memoir "Happenstance," and the craft studies "E. B. White: The Emergence of an Essayist" and "The Nonfictionist's Guide: On Reading and Writing Creative Nonfiction." Root teaches courses in nonfiction writing and editing family manuscripts for the Loft Literacy Center in Minneapolis and the University of Wisconsin-Waukesha. Robert will be here live to talk about the Muir/Leopold/Derleth legacy in the state of Wisconsin. In person and online via Zoom. Register at columbuspubliclibrary.info

Tech Tuesdays March 4 & 25 @ 12:00pm

Join us on select Tuesdays to learn technology skills at Columbus Public Library. Classes will include basic internet use, smartphones, internet safety, and more! A free lunch will be provided! We will meet at 12:00 in the library program room. If you have a device you would like help with, feel free to bring it along! This program is made possible by a generous grant from the Public Library Association and AT&T.

Adult Craft Night Wednesday, March 26 @ 6:00pm

Make your own bead bracelet keychain! Conveniently wear it on your wrist, attach it to your handbag, create your own statement piece! Sign up at columbuspubliclibrary.info
